#### Please note:

DIY install guides online at [www.BenchingWorkstations.com](http://www.BenchingWorkstations.com). Professional installation is available. Professional space planning is also available at an additional cost. All Pods are designed to work as a unit not as stand-alone workstations. For individual workstations, please see our Stand Alone Bench Workstation Table/Desk. Other options are available including size, design and color options, power supply and accessories. Please contact us for more details and custom orders.
